P6O	P7Y: Mrs Young

I would like to take this opportunity to thank all our staff- teaching and non-teaching and Governors for all their hard work and dedication throughout another unpredictable year.

I would like to thank the children for their hard work and effort throughout the year; particularly with all the challenges of remote learning. In reading all the annual reports; the excellent progress, behaviour and positive attitude of the majority of children was very apparent. To the parents, grandparents and guardians who continued to play a pivotal role during remote learning, may I also thank you for all your continued cooperation and support of the school as we have navigated a very different year.

I hope you all have a restful, enjoyable and sun-filled summer break.

Yours faithfully,

J McAuley
